

Hi!

I'M MRS. ROLDAN

Teaching is an absolute passion of mine. I am so excited to work with you and your child. It's going to be a year full of fun, learning, and lots of adventures and I can't wait to see what this year has in store for us!

This will be my fifth school year at Dearborn Elementary Charter Academy. Before that, I completed my Bachelors of Arts in Liberal Studies at California State University, Northridge.

In conjunction, I obtained my Multiple Subject Teaching Credential with a concentration in General Science. It is my mission to instill a love for learning in my students. I attempt to teach with a passion for my subject so that my students develop a desire to become life-long learners.

When I am not planning or grading papers, I enjoy spending time with my family, traveling, or hiking nearby trails.

Please let me know if you have any questions or concerns. It is so important to keep communication open between us. Please review the attached packet which includes general information, class procedures, and class rules. I look forward to meeting you all at Back to School Night on Thursday, September 7th and further discussing this information found within this packet..

I look forward to a great year together!
